

STRENGTHENING THE VIETNAMESE HIGHER EDUCATION SYSTEM TO IMPROVE GRADUATES' EMPLOYABILITY AND ENTREPRENEURSHIP SKILLS

V2WORK will develop the capacities of the partners' Career Centres to help students develop employment, employability and entrepreneurship skills and provide support for entrepreneurial intent. Enhanced relationships developed with the labour market will improve quality of student internships allowing for better on-the-job training for students.

Specifically V2WORK aims to:

- **Modernise Career Centres** of 8 Vietnamese universities by building institutional and human capacities in entrepreneurship and employability skills so they can become efficient and dynamic instruments to promote and support employment and entrepreneurship among university students and graduates .
- **Reinforce University-Enterprise relationships** by developing tools and mechanisms to foster active involvement of enterprises in the Career Centres.
