

VIETNAM EMPLOYABILITY AND ENTREPRENEURSHIP SUPPORT NETWORK

VISION

VESS-NET has a vision to be a sustainable network of Vietnamese Higher Education Institutions (HEIs) **to support career services with a view to promoting greater employability and developing a spirit and culture of entrepreneurship among HEIs.**

MISSION

- **To increase the employability and the entrepreneurship efforts** of HEI students and graduates, enabling higher levels of success and professional achievement.
- **To promote the development and affirmation of HEI career services as an essential structure** and of the greatest importance in fulfilling the institution's mission (University) to train and qualify young people for qualified professional activities that generate social and economic development.

OBJECTIVES

- To **promote** the spirit and entrepreneurial capacity of higher education students and graduates;
- To **focus** on valuing soft skills for greater employability, in particular by identifying gaps in the labour market and recent graduates;
- To increase knowledge of the dynamics of insertion in the labour market;
- To develop a cooperative and complementary logic among network members with a view to maximizing the existing resources in each institution.
- To strengthen the ties between the labour market and HEIs by promoting cooperation actions between the two, with a view of improving the HEIs' understanding of the labour market needs.
